For many, this will be the first and may be the only end of the season Tournament that your players participate in. We do all we can to make this event as memorable as possible. We all know how hard it is to get to the top level in any sport at any age level. Please participate in all the extra activities and please give your players that get recognized for All-Star Awards, the opportunity for peer and fan recognition and pictures at the Awards Presentations after the Championship Game. We present Team Awards right after your Team's final game on Sunday BUT individual awards are presented after the Championship Final.
